Co's steamer *Polytechnic* left Singapore on the afternoon of the 22nd inst. and is due here on the morning of Thursday, 29th inst.

The Hongkong Smoking Concert Club gave another concert on Saturday evening which was undoubtedly the most successful of the season. There was a large number of members, and Mr. R. W. Mitchell presided.

This is their farewell appearance, and it is to be hoped they will be well received for certainly no company has ever been so successful in the Hongkong theatre. Today being the last day of the season, the company will be in the theatre at 10 a.m. on Sunday, and on Monday, Messrs. Kelly and Walsh will be in the theatre from 10 a.m. till 4 p.m.The Japanese press, says the *Japan Mail*, seems to have been proceeding in the direction of the formation of a company for the purpose of sugar refining in Japan. Later information goes to show that the enterprise is by no means in such an advanced state. Investigations are in progress as to the indications for sugar to show that the project will be carried to completion, but the statements that capital has been subscribed, rates drawn up, and the site for the factory fixed are still in the state of a mere fact. The question has great interest for British merchants. Something like sixty per cent. of the sugar refined at the flourishing factories in Hongkong comes from Japan, and the country is becoming more and more dependent on the Japanese market. A very serious loss would be dealt to the refining industry in that colony.The *Gazette* of the 22nd inst. contains a notice that a vessel named *Empress of Japan*, of 2,384 tons, of 4,000 horsepower, from Hongkong at a cost of \$650,000 dollars.
